D. Certification of Eligibility of Overage Dependent under NJ Chapter 375

An adult child may request to continue as a dependent on his or her parent's coverage even after the child reaches the limiting age under the terms of the policy if the adult child:

- is not yet 31 years old
- is unmarried
- has no children
- lives in New Jersey, or if not a New Jersey resident, is a full-time student at an accredited institution of higher ed.
- is not eligible for Medicare and is not actually covered under another group or individual health plan

An adult child may make the request to continue as a dependent on his or her parent's coverage either:

- within 30 days of the dependent reaching the age limit
- within 30 days of the dependent becoming eligible for a reason other than reaching the limiting age (for example, the adult child becomes a full-time student in another state, or returns to live in New Jersey after residing elsewhere)
- during the open enrollment period for the group of which the parent is a member.
